AIG Cyber Loss Control Services

Tier I: CyberEdge® Premium of €899 or Less

Despite a company's best efforts to protect itself from a cyber attack through its own IT department, it may not be enough in today's rapidly changing cyber environment. As part of AIG's Cyber Resiliency Program, eligible insureds with annual CyberEdge policy premiums of €899 or less receive a wide range of tools and services to help proactively prevent a cyber incident.

Cybersecurity Information Portal
24/7 online access to current cybersecurity information including best practices checklists, claims data, and a breach calculator. Learn more

Darknet Credential Exposure
Identify domain-level cyber risks from enterprise data that is exposed on the darknet, with reports customized to the client's specific domain. Learn more

Tailored Incident Response Plan
A business incident response plan template tailored for small- to mid-sized businesses to help ensure clients can respond appropriately, quickly, and efficiently to a cyber incident. Learn more

Security Ratings
Clients can see how their internet security posture and network score from an "outside looking in" perspective, with easy-to-understand scoring systems. Learn more

CyberMatics®
AIG's patented technology service helps clients verify their cyber risk posture, prioritize implementation of risk-reducing controls, and make better investment decisions in their cybersecurity program – with the added benefit of more tailored policy terms and conditions. Learn more

CyberEdge Communications Platform (UK Only)
Powered by Cygnvs, the platform enables off-network collaboration to efficiently manage incident response and reporting of a cyber claim to AIG. Learn more

Cyber Claims Hotline
Once a call is made to the 24/7 hotline the CyberEdge® Claims Team coordinates with the client to implement their response plan, engage any necessary vendors to identify immediate threats, and start the restoration and recovery processes.

AIG Cyber Loss Control Onboarding
A 30 minute, one-on-one call with an AIG Cyber Risk Advisor to learn more about the complimentary Cyber Resiliency Program services available.

Cygnvs
Online platform enabling out-of-band communication, document repository and storage of key internal and external contacts. Click to schedule a demo or register for the platform.

Privacy Risk Assessment
One-time privacy risk analysis to uncover potential privacy risks that could lead to lawsuits, breaches or compliance issues. Learn more

The contents of this publicity is for information purposes only and cannot be considered as an advice or an offer to contract and cannot be relied upon to claim insurance coverage or engage AIG's liability. Only the insurance policy's terms and conditions provide a binding description of the cover. All products and services are written or provided by local branches of AIG Europe S.A. Products or services may not be available in all countries and jurisdictions, and coverage is subject to underwriting requirements and actual policy language.

AIG Europe S.A. is an insurance undertaking with R.C.S. Luxembourg number B 218806. AIG Europe S.A. has its head office at 35D Avenue J.F. Kennedy, L-1855, Luxembourg and has VAT registration number LU30100608, http://www.aig.lu/. AIG Europe S.A. is authorised by the Luxembourg Ministère des Finances and supervised by the Commissariat aux Assurances 11 rue Robert Stumper, L-2557 Luxembourg, GD de Luxembourg, Tel.: (+352) 22 69 11 - 1, caa@caa.lu, http://www.caa.lu/.

The policyholder is under no obligation to utilize any of the services that AIG makes available. AIG may modify (by adding, removing, or replacing a tool or service) or discontinue the availability of the services at any time. AIG may partner with third party vendors to provide any or all services. In some instances, AIG may have an ownership interest in certain third party vendors. AIG does not endorse, and assumes no liability arising out of, the services provided by any third party vendor. No warranty, guarantee, or representation, either expressed or implied, is made as to the correctness or sufficiency of any such service. It is at the sole and absolute discretion of the policyholder whether or not to utilize the available services, including any such services provided by any third party vendor. If the policyholder elects to utilize such services, the policyholder shall enter into a vendor relationship directly with the third party vendor. The policyholder may be entitled to a free demo and/or may be charged a fee by the third party vendor for such services. Any discount provided by the third party vendor may only be available while the policyholder has an in-force cyber policy with AIG. The policyholder shall be responsible for any such payments to the third party vendor and may be required to enter into a service agreement directly with the vendor.
